What is Santa With A Badge? Santa with A Badge is a unique program in which the NCPD officers share Christmas with children from New Carrollton's elementary public schools who are in need. Both the children and officers spend one on one time together in an unforgettable holiday shopping experience. The NCPD is dedicated to creating a wonderful holiday experience for disadvantage children in the City of New Carrollton and surrounding communities. This is made possible through donations by the community.

New Carrollton Library Re-opening

The last week of September was filled with City events. At the library opening on September 26, we hosted County Executive, Rushern Baker, and County Council Chair, Danielle Glaros, to assist with the ribbon cutting. By now I hope many of us have taken advantage of the new facility which offers 58,000 square feet of space with all branch activities on one floor. There are 66 PCs for public use, 15 laptops for public instruction, and even a 3D printer! There were over 50,000 items stocked for opening day, including books, DVDs, audiobooks and magazines. There are two meeting rooms, a conference room, seven study rooms, and a Whisper room (quiet study). You can now park electric cars at a dual-head charging station in front of the entry. It seems like it took forever to re-open, but we welcome the return of our local library.

Community Garden Awards

Also on September 26, our City Horticulturist, Brad Pudner, and I accepted 3 awards from the Prince George's County Beautification Committee for our City Gardens. Congratulations to Brad and the Public Works team! It was my honor to be present at the ceremony.

New Carrollton Community Day

If you missed Community Day on September 29, you missed some of the best weather the area has to offer in late September. We held a dedication ceremony for the Andrew C. Hanko Building to memorialize former Mayor Hanko's life of service to our community. We hosted the Boyd Rutherford family. The Lieutenant Governor brought his wife and daughter and strolled through Beckett Field, greeting residents and vendors. We thank our Lieutenant Governor for spending time with us. Beckett Field was filled with children's and adult activities that offered a little bit of something for everyone. Those of us who were brave enough were able to pet the alligator, ferret, and python. Be there next year!

Congratulations to the Police Foundation Annual Raffle Drawing Winners 2018

It was my first time as mayor to announce the winners as the cards were drawn. This year's winners were Karen Rager, Bob Kraft, and Jeffrey Duhlberg.

Cat Story

Back in August, our police department responded to a report related to the lack of activity in a neighborhood home. It turned out that the resident lived alone and passed away undetected for a matter of days, maybe weeks. The deceased owned cats. Animal Control retrieved the animals and processed them at the County shelter. A few more weeks passed. A neighbor reported seeing another cat in the window. Poor emaciated kitty weighed 3.5 pounds. My wife adopted it and consulted with our vet. Within 24 hours the cat passed away. I share this story as a reminder that we should all be looking out for our neighbors – community requires staying connected. I also want to praise our Animal Control officer, Chris Superville, who serves us well by providing prompt, safe and humane responses to City animal concerns. If you're not aware, please know that you can call our police department to report any animal issues within the City. I took a picture of the kitty shortly after Chris retrieved it from the deceased's house. Chris estimated that the animal had not eaten for upwards of six weeks.

Cardboard Boat Contest

One final story from the summer behind us. While the New Carrollton Pool Swim Team admits to having a mediocre season, the pool's annual Labor Day Cardboard Boat Race featured fierce competition, and loads of excitement – along with trash cans full of wet cardboard to be recycled. The rules are simple. The boats must be constructed of only two materials – cardboard and duct tape. The winner of the youth and single-paddler competition for 2018 went to Finn Sheerin. Congrats to Finn! The picture brings back memories of that long heat wave in August/September. It may also inspire some to enter the cardboard boat competition in 2019!

Community Tax Aid

What we accountants refer to as “**tax season**” is not far away. Several residents and I volunteer with the Community Tax Aid organization to assist low income and senior citizen clients with tax preparation between February and April each year. We set up a tax clinic at the City Municipal Center two nights each week. **Community Tax Aid needs volunteers.** Training is provided at no cost to the volunteers. Classes are held in December and January. If you'd like to join our City tax team, call the City Administrative Office at **301-459-6100**. We've been providing these tax services at the Municipal Center now for 10 years now. Not only do our residents gain the benefit of free tax assistance, we also have the opportunity to be part of the volunteer effort.

Boy Scouts

I am an Assistant Scout Master of Boy Scouts Troop 214. We meet every Tuesday evening at the Elks Lodge on Kenilworth Avenue, Riverdale. Boy Scouts now accepts boys and girls into membership. If you know any boys or girls interested in scouting, refer them to the City Municipal Center or call 301-459-6100. Troop 214 is an active troop with monthly campouts, summer camp, high adventure trips, and community service activities.

CONSTRUCTION UPDATE

The latest information I have on the Purple Line that affects our residents is that Ellin Road remains closed between Hanson Oaks and Veterans Parkway. I also receive periodic updates related to road in Riverdale and College Park. Remember, the estimated grand opening in 2022. Between now and then, be prepared for local traffic delays along the Purple Line route. You can sign up for email or text updates at the address below:

Mayor's Email Updates

My list of email recipients of periodic mayoral updates has grown. Feel free to contact me if you'd like to be added to that distribution. The newsletter only goes out every 2 months. I try to share significant weekly updates via email.

City Receives Bond Bill for New Carrollton Park

Mayor Rosenberg and City Administrator Tim George were on hand at the State of Maryland Board of Public Works October 17 meeting to obtain the certification of the City's matching fund and the approval of \$100,000 bond bill for New Carrollton Parks and Playgrounds at Frenchman's Creek was approved. The City will begin the planning and design work in the coming weeks.

Yule Log Sing Along

We've set the date for the annual Yule Log holiday sing along on Thursday, December 13, 2018. The Yule Log event is a time to share in seasonal songs around a roaring fire with hot chocolate, cookies, apple cider and other holiday treats. I hope you'll put the date on your calendars and sing along with the Mayor.

"Slow Down to Get Around"

The Department of Public Works urges citizens to please be aware of the waste and recycling collection vehicles moving throughout the City. Please use caution when passing waste and recycling collection vehicles as impatient drivers usually perform unsafe passing practices.

As of October 1, 2018, it's the law in Maryland. The "Slow Down to Get Around" law protects trash and recycling collectors by requiring drivers to change lanes as they approach stopped utility vehicles, or to slow to a "reasonable and prudent speed" when they drive past. This law previously applied to tow trucks as well as law enforcement and emergency response vehicles. It is now expanded to include transportation, service, and utility vehicles including trash and recycling trucks.

Wishing everyone a happy holiday season.

Residents of the City of New Carrollton:

This has been another busy month in the City with a lot of time and attention focused on preparing for another highly successful Community Day event. These past two months have also seen the completion of the Phase 1 renovations (roof, HVAC, ceiling and LED lighting). The Administration is continuing to plan for additional renovations to the Municipal Center, focusing primarily on the Council Chambers in this next round of renovations. In the coming months we will be beginning the process of drafting the FY2020 City Budget, and as always, welcome comments and questions from our residents.

Community Day 2018. I would like to thank all of our residents who participated in Community Day 2018 making it such a huge success. I would also like to present my appreciation to the City of New Carrollton staff, lead by City Clerk Doug Barber, that worked diligently to make the event as great as it was and all of staff from the Department of Public Works, Police Department and Administration. Finally, the event would not have been possible without all of the volunteers giving of their time to help with the rides, games, and various tables around the event.

Dedication of the Hanko Building.

Led by Mayor Rosenberg, the City dedicated the Hanko Building at Becket Field in honor of Mayor Andrew C. Hanko. The Hanko family joined Prince George's County Council Chair Glaros, City staff and residents in hearing the proclamation read. Along with the dedication, the City added signage to the building "**naming**" it. We were also happy to have Danielle Glaros with us for a Memorial Tree Planting in honor of Mayor Hanko. We will identify the perfect location and plant the tree in the coming weeks.

Maryland Municipal League Academy Graduate. I am happy to report that I completed the requisite courses a part of the Maryland Municipal League Academy for Excellence in Local Governance and am now a graduate of that program. The official graduation ceremony is slated for next year and I will provide updates and pictures at that time.

I wish everyone in the City a Happy Thanksgiving and safe and joyful holiday season.

Municipal Center Renovation – Council Direction to the Administration to Proceed with City Municipal Center Renovations

Motion: Ms. Robbins moved that the Council direct the Administration to proceed with the renovation of the City’s Municipal Center to include the following: (1) Renovation of the Council Chambers: The ‘new’ Council Chambers will be located in the current Legislative Chamber and that space will serve both for Workshops and Legislative Session; (2) Expansion of the Council Chambers: The renovated chambers described above will potentially be expanded in size by moving the north wall into the main hallway to create an additional 150sf of meeting space and/or by relocating the restrooms and TV studio from the current room and building a new exterior wall to enclose the alcove to create an additional 240sf of meeting space, based on subsequent Council approval; (3) Reuse of the Workshop Room: The workshop room will be converted into office space for Admin staff, specifically HR, and potentially house the new TV studio. The rear of the building will be used for storage and other overflow space; (4) Multipurpose Room, East End: The east end of the multipurpose room that houses the stage will remain unchanged and will not be included in this phase of the renovations. Should the Council choose to investigate the potential use of the stage that would be a separate project; (5) Multipurpose Room, West End: The current rear entrance to the MPR will be relocated and the room “squared off” in the lobby to make room for new public restrooms, as planned, a new ladies and men’s room with three facilities in each. The kitchen will continue to serve the County meals program; (6) Addition of a New Family Bathroom: The current ladies room will be converted into a family bathroom with handicap/ADA access; (7) Addition of a New NCPD Locker Room: The current public men’s room will be converted into a locker room for the NCPD including showers; (8) Relocation NCPD Security Door: The current NCPD security door will be moved to the other side of the Chief’s door/men’s room door thereby putting the Chief’s office and locker room inside the NCPD secure space. – **Robbins/Nembhard (Vote: 5-0-0)**

Municipal Government Works Month (November)

Since 1993, Maryland’s cities and towns have celebrated Municipal Government Works (MGW) Month each November in an effort to promote citizens’ awareness and interest in the government in their communities. Through school visits, MML members have educated over 27,000 students and their teachers about how much municipal government works. The City of New Carrollton’s Mayor

and Council promotes Municipal Government Works Month by bringing awareness to the residents on the services that the municipal officials and staff provide to our residents on a daily basis.

Smoke Detectors Save Lives

The majority of fatal home fires happen at night, when people are asleep. Contrary to popular belief, the smell of smoke may not wake a sleeping person. The poisonous gases and smoke produced by a fire can numb the senses and put you into a deeper sleep.

Inexpensive household smoke detectors sound an alarm, alerting you to a fire. By giving you time to escape, smoke detectors cut your risk of dying in a home fire nearly in half.

Is One Smoke Detector Enough?: Every home should have a smoke detector outside of every sleeping area and on every level of the home, including the basement.

Fire and building codes also require a smoke detector in every bedroom for new construction. On floors without bedrooms, detectors should be installed in or near living areas, such as dens, living rooms, or family rooms.

Mount Detectors Installation: Because smoke rises, Wall mounted units should be installed so that the top of the detector is 4 to 12 inches from the ceiling. A ceiling mounted detector should be installed at least four inches from the nearest wall. In a room with a pitched ceiling, mount the detector at or near the ceilings highest point.

In stairways with no doors at the top or bottom, position detectors anywhere in the path of smoke moving up the stairs. But always position smoke detectors at the bottom of closed stairways, such as those leading to the basement, because dead air trapped near the door at the top of the stairway could prevent smoke from reaching a detector located at the top. Don't install a smoke detector too near a window, door, or forced air register where drafts could interfere with the detectors operation.

Maintenance: ONLY A FUNCTIONING smoke detector can protect you.

Never disable a smoke detector by "borrowing" its battery for another use.

Following the manufacturer's instructions, test all smoke detectors monthly and install new batteries at least once a year. A good reminder is when you change your clocks for daylight savings time, change your smoke detector batteries.

Clean your smoke detectors using a vacuum cleaner without removing the detectors cover.

Never paint a smoke detector.

New Carrollton Police Department Santa With A Badge

Saturday, December 15, 2018

To Celebrate our 13th Year In Service

**The New Carrollton Police Department will host it's
9th Annual 'Santa With A Badge' Program**

What is Santa With A Badge?

Santa With A Badge is a unique program in which The New Carrollton Police Officers share Christmas with children from New Carrollton's elementary public schools who are in need. Both the children and the officers spend one on one time together in an unforgettable holiday shopping experience. It is a way of giving back to the community they care so much about and do their best to protect. The New Carrollton Police Department is dedicated to creating a wonderful holiday experience for disadvantaged children in the City of New Carrollton and surrounding communities.

When is Santa With A Badge?

The event will be held on Saturday, December 15, 2018. Parents and guardians will be notified in advance if their child has been selected. **On the shopping day children must be present to shop.** Uniformed Police Officers will pick the children up at their homes, take them shopping, have lunch with Santa and return the children home after the event.

For more information on the Santa With A Badge program, please contact the New Carrollton Police Department at 301-459-0142.

Or to make a donation, please contact:

Christmas Tree Recycling

After the holidays consider a more environmentally friendly way of disposing of your (real) Christmas tree. Trees must be placed where they are visible from the street, but NOT at the curb for pick-up. **Trees will be picked up on the last pick-up of the week.**

Trees must be stripped of ornaments, tinsels, and all other decorations.
The trees must be real, so do not dump artificial trees on the curb.

Real Christmas Trees are biodegradable, which means they can be easily reused or recycled for mulch and other purposes.

For more information on how to recycle your Christmas tree call the Department of Public Works at 301-577-1008.

CITY OF NEW CARROLLTON
6016 PRINCESS GARDEN PARKWAY
NEW CARROLLTON, MARYLAND 20784

Dated material must be delivered by November 1, 2018

The City of New Carrollton Police Department is proud to present...

COFFEE *WITH A* COP

Join us on **November 14th at 6 pm at Chipotle**, located at 8490 Annapolis Road, New Carrollton MD, 20784 and **December 19th at 6 pm at Starbucks**, located at 8498 Annapolis Road, New Carrollton MD, 20784.

A cup of coffee is a common bond. And, it can help officers build better relationships with the communities they serve. No speeches or specific topics. Just informal conversations about what matters to community residents.
