Our Elementary Schools Read Across America

I had a blast with the elementary kids during the virtual Dr. Seuss Read Across America week. I spent time reading to, Elementary schools kids. I applaud the teachers and administrators for the work they do for our children. I am also impressed with our young learners in these classes. They love to read. They are full of questions. I was personally touched by the comment of one of the students, who complaint about being in lock down and that he was missing his peers. I am convinced that I read to future New Carrollton mayors and council members during Dr. Seuss week! And I am so glad that we were able to proceed with Dr. Seuss Read Across America, as I was able to bring a little bit of my energy and to assure the children that COVID-19 will be behind us soon and to keep up the good work and to continue to be positive and healthy by following proper health guidelines.

Arbor Day 2021

April 7, 2021 The City of New Carrollton celebrated Arbor Day, by hosting an Arbor Day tree planting ceremony at Margaret Brent School. We were joined by City staff, residents and Selena Pratt-Swilling, Principal of Margaret Brent. It was a fun day.

April 9, 2021 Police Awards Banquet, Mayor Nembhard and

Police Awards Banquet

The annual Police Awards Banquet was another huge success. On april The officers got well deserved recognition for a year filled with new challenges through COVID-19. I reminded the audience that our officers performed above and beyond all expectations responding to all kinds of issues during this challenging times. Our community is fortunate to have such dedicated officers. Be sure to thank our officers if you see them around the City. Chief Rice likes to remind us that New Carrollton ranks one of the safest City in the entire state of Maryland. We have our officers and the community policing framework to thank for that distinction.

A huge thank you and congratulations to the New Carrollton Police Department!

Staff from FIVE MEDICINE and Mayor Nembhard at COVID-19 testing, New Carrollton Municipal Center

April 7 and 30 2021, The City partnered with United Health Group to host a Covid-19 testing outside of the Municipal Center. The event was a great success. In addition to the Covid-19 testing, Lynn Mejia, Bilingual Community Development Specialist for United Healthcare Community Plan MCO Lakeisha Agnew, Community Outreach and Prevention from Mary's Center, Nicole Cameron, LMSW from Five Medicine, Changing Perceptions and Capital Area Food Bank , provided additional resources Including boxes of food, free health, and safety kits, and free HIV testing. The event on both dates brought 120 people to be tested and at least 400 boxes of food and PPE kits were distributed. A huge thank you to all organizations mentioned above. I thank all the residents for participating. I also thank City staff for all their work and support.

Rain or Shine Food Distribution goes on.

I am committed to provide food and other resources to my community. It is why rain or shine we continue to distribute food.

The City Council, City staff and I continue to thank Prince George's County, Department of Social Services and their team (Stand Up & Deliver Proud to Provide) food for distribution. We also extend our gratitude to Ms. Tamara Nunez of the Sowing Empowerment & Economic Development Inc. (SEED), Ms. Claudia B. Walter of The Faith Based Collaborative Outreach Group, Ella Kids Inc., Mrs. Pat Robinson from the Senior Citizens of Ebenezer Church of God, DeLores Mckoy, Linda Ben Foundation Inc., Founder/President Annabelle Beavan, @pinkribbonchat, Solid Rock Church, Michael Dixon and all organizations who work with the City of New Carrollton to provide food and resources to our community. I would also like to extend my sincerest gratitude to all of the volunteers who continue to help with all the food distributions, and provide City staff with a tremendous amount of support. Keep up the great work, as it is much appreciated by the City Council, myself, and City residents. If you are interested in volunteering for the City, please contact the Administrative Office at 301-459-6100.

The Honorable Jordan Harding

**The Honorable Jordan Harding
(1930 – 2021)
City of New Carrollton
Councilmember (1968 – 1970)
City of New Carrollton
Mayor (1970 – 1984)**

It is with deep sadness and much regret that we inform you of the passing of our former Mayor and City Councilmember Jordan Harding. Mr. Harding passed away on Saturday, March 27, 2021.

Mayor Harding began working with the City of New Carrollton in 1968 as a City Councilmember and became Mayor in 1970. Mayor Harding served as Mayor from 1970 until 1984. Mayor Harding continued to follow the City after his service providing his historical knowledge of the City to many of the City staff. He was always willing to lend a hand when needed. Mayor Harding will truly be missed by many.

There will be no service.

Lock Your Car and Block a Thief

It may take you only a minute to run into a convenience store for a cup of coffee or a morning paper. But if you leave your keys in the car with the motor running, it takes a thief only seconds to drive off with your car.

A surprising number of people, however, do just that: they leave the keys in the ignition, and let the motor run, while they run into the store. That practice wastes gas, doesn't help the environment, and could result in a stolen car. A 1996 survey by the Regional Auto Theft Team showed that 25 percent of stolen cars were taken when the driver left the keys in the ignition.

Leaving your keys behind like that is an open invitation to criminals, so don't give them that opportunity. When you park your car, take the keys - and let the thief take a hike.

21-1101 - Unattended motor vehicle

(a) Duty of driver upon leaving unattended vehicle. -- Except as provided in subsection (c) of this section, a person driving or otherwise in charge of a motor vehicle may not leave it unattended until the engine is stopped, the ignition locked, the key removed, and the brake effectively set.

(i) Is in charge of a motor vehicle that has had the engine started using a remote keyless ignition system and has been operating unattended for up to 5 consecutive minutes when the vehicle is not in motion; or

(ii) Allows a motor vehicle that is locked and is on private property not open to the public to operate unattended for up to 5 consecutive minutes when the vehicle is not in motion.

City of New Carrollton Animal Control - Call (301) 459-0142

Dog Waste! Scoop it, Bag it and Trash it!

Picking up after your dog goes further than making your neighbors happy. When you are out walking your dog, it is your duty to collect their waste. The trails and parks we enjoy with our Dogs are adjacent to creeks and reservoirs. Dog waste that is not collected is carried away during rainstorms to nearby waterways, and can be a significant source of pollution. Dog waste carries harmful bacteria like E. coli, which poses serious health risks if allowed to come in contact with water.

Leash Law: It is against the law for the owner or custodian of any animal to allow the animal to run at-large. Any dog or cat that is found at-large may be impounded. A Violation Notice may be issued by a City Police Officer or Animal Control Officer to the owner of an animal found at-large.

Removal of Excrement: The owner or custodian of any dog or cat is required to remove their pet's excrement from public or private property.

Stray Dogs and Cats: Anyone who picks up a stray animal must immediately notify and turn the animal over to the Prince George's County Animal Control Facility.

Register your dog or cat at the Prince George's County Animal Control located:
3750 Brown Station Road, Upper Marlboro, MD 20772.

The Clean Water Partnership has completed the in-stream portion of the Briers Mill Run restoration along Carrollton Parkway. Erosion was corrected, the banks stabilized and the clogged culvert under Lamont Drive was cleaned out. Additionally, they were able to add a new drain between the two Community Gardens.

We will plant 124 trees along the stream over the next several weeks. Guardrails will be install next on portions of the creek if necessary for safety. Aside from the new trees, wildflower seeds were sow on the banks of the stream, and lawn seed along the tops. Willow stakes were installed along the water edge, which are live and intended to root and grow into streamside shrubs. The lawn portion along the street will be mowed by the City, while the wildflowers on the slopes will offer flowers throughout the spring, summer and fall and offer a riparian buffer. The pedestrian bridge at Quentin Street will most likely be installed this summer as it is still awaiting final permitting details. The project was funded by a public/private partnership between Prince George's County and Corvias Solutions to deliver functional and sustainable stormwater infrastructure. One big bonus of getting in this program is that CWP will also perform functional maintenance of the restoration for 30 years. However, the City will be responsible for mowing and litter patrol.
