

# CITY OF NEW CARROLLTON TRASH TOTER

One Trash Toter (black with black lid) was provided to each CONC single-family residence by the City of New Carrollton. The Trash Toter is to be used for household trash only. Each Trash Toter is numbered and registered to a specific residence.

Please place you Trash Toter where you normally keep your household trash containers. On your scheduled trash collection day, the Trash Toter will be collected from the side or rear of the home and returned after emptying.

The old unwanted trash containers can be disposed of by placing signage "please dispose of item" on the top or side of the container.

Additional Trash Toters can be purchased by residents at cost in the amount of \$52.25 each.

Any questions regarding the toters can be answered by calling the Department of Public Works at (301) 577-1008 Mon-Fri 7am-3:30 pm.
